TRANSPARENT OLED DISPLAY KIOSKS

SPECKTRON

Step into the future of digital display with Specktron's 30" Transparent OLED Kiosk—a revolutionary fusion of glass, light, and interactivity that redefines how audiences engage with content.

Features

Sleek, All-Glass Design: Crafted with tempered glass, its curved, minimalist frame exudes modern elegance — making it ideal for high-end galleries, flagship stores, lobbies, and museums.

Interactive by Design: Built-in touchscreen functionality invites users to explore, zoom, and interact—turning passive viewers into engaged participants.

Adaptable to Any Environment: Compact 30" form factor fits seamlessly into counters, display cases, or standalone installations. Customizable brightness (150–400 cd/m²) ensures optimal visibility in any lighting.

Specification

Model: TLT-30K-AP

SKU	DSTLT30KAPL2
Display Size	30"
Display Resolution	1366x 768
Brightness Range	200-600 cd/m ²
Basic Interface	HDMI / DP/USB/ RS232
Touch Option	P-cap Touch / No Touch
Transparency (Typ.)	43 %
OLED Care system	YES
Frame	Iron
Panel Lifetime	30,000 Hrs (Typ.)
Color Depth	10 bit (R), 1.07 Billion Colors
Product Dimension	1373.75 * 681 * 350 (mm)
Weight (Net Weight)	42kg (94.7 lbs)
Power Requirements	100 to 240V AC
Power Consumption	<90W
